

Accounting Professional Year Program

PERTH | ADELAIDE

Why Choose This Course?

1. Ongoing career assistance during and after completion of the program
2. Opportunities to join relevant professional bodies
3. Access to free industry specific workshops and events
4. Accounting Professional Year Program certificate

The Stanley College Accounting Professional Year Program is developed by CPA Australia, the Institute of Public Accountants and the Chartered Accountants Australia and New Zealand. It is a professional development program combining formal learning and an Australian internship experience.

Our internship equips you with practical skills and training to enhance your future employment opportunities. Upon completion of the Accounting Professional Year Program, qualifying graduates may be eligible to receive additional points towards their permanent residency application under the Skilled Migration pathway.

Stanley College is an approved Accounting PYP provider by the following:

MODULES

Students must complete the following 8 modules:

- Navigating the Australian workplace
- Ensuring workplace health and safety
- Managing workplace communication

ENTRY REQUIREMENTS

Applicants wishing to enrol into Accounting PYP must fulfill the following entry requirements:

- Undertake a face-to-face pre-enrolment interview with the authorised Provider to ensure course suitability and viability
- Completed one or more Accounting related degrees as a result of at least two years* full time study in Australia
- The degree/s must be on the approved list of courses for international students (CRICOS)
- Have a current Academic or General IELTS score of 6.0 in each band, or the equivalent score from Pearsons, TOEFL iBT or Cambridge Advanced English (from the 1st of September 2020, evidence of English Language Test results must be provided at enrolment)
- Hold a 485 visa (or other appropriate visa) with a validity of at least 12 months
- Have a positive skills assessment from one of the Professional Accounting Bodies

*Two Academic Years is defined as being at least 92 weeks according to the CRICOS registration of full time study

If a participant is on a student visa they must have completed their principle course of study prior to commencing the Program, provide evidence of having applied for a 485 visa or bridging visa, must still have a valid IELTS score of 6 in each band (or equivalent in other accepted English language tests) and have a completed skills assessment in order to be accepted into the Accounting PYP.

Participants enrolling on a student or bridging visa must have been granted a 485 Temporary Graduate visa by the end of their Program.

Please note that participants who already have permanent residency or applicants on other visas which have full work and study rights can also be accepted. A positive skills assessment from one of the Professional Accounting Bodies is mandatory for all applicants wishing to enrol into Accounting PYP. A review of that assessment will be necessary on completion of the Program in order to apply for Permanent Residency.
