

# OVERSEAS STUDENT HEALTH COVER (OSHC)

The Overseas Student Health Cover (OSHC) is a compulsory health insurance that must be maintained throughout a student's entire stay in Australia. OSHC will cover most of your medical, hospital, ambulance and medication costs while you are studying in Australia.

Students can choose any approved Australian Overseas Student Health Cover provider.

Stanley College had selected the following OSHC providers based on prices and services provided.

- For **Singles Health Insurance**, we use [Australian Health Management \(AHM\)](#)
- For **Couples Health Insurance**, we use [Medibank](#)
- **Family Health Insurance**, we use [Medibank](#)

---

Please refer below for the price schedule. These fees are only payable to Stanley College for students who choose Stanley College's recommended insurance provider.

Students who enrol in a course of duration 10 months or less will need to purchase OSHC for an additional month after the end of the course.

For example, if you enrol in a 6 months course, you need to purchase 7 months of OSHC.

Students who enrol in a course of duration 11 months or longer will need to purchase OSHC for 2 additional months after the end of the course.

For example, if you enrol in a 12 months course, you need to purchase 14 months of OSHC.

The information contained in this publication is correct as of 10 April 2018.

Please note that prices change every Calendar year. Any variances are payable by the student, on receipt of an invoice from the OSHC provider.
