VET Student Loans - Unit Tuition Fees / Census Days:

This document provides you with both census days and unit tuition fees for each VSL approved course at Stanley College. Unit tuition fees are the full cost of each unit including both VET Student Loan + Student Contribution (please note, figures quoted are estimates and costs may vary). The census day is a very important date for you to know about! The census day for each course, or a part of a course, is the last day you can:

• Complete the eCAF to apply for a VET Student Loan for your course; OR

• Withdraw your enrolment without incurring a debt for the course or part of the course.

Each unit in your VSL approved course at Stanley College has its own census day, so that you incur debts as you progress through your course, not for the whole course at the beginning. Each census day for part of the course must be at least 20 per cent of the way between when that part of the course starts to be provided and when you are reasonably expected to complete that part of the course. Census days are listed as follows and are released when each new intake is scheduled:
