

# FREE Community Care Course — START NOW!

## Have a passion for Community Care and want to get to work fast?

The Work in Community Care Skill Set (State ID AE618) is a great starting point to get into the industry. It covers essential areas such as first aid and communicating with diverse people. You'll also learn to follow organisational infection prevention policies and procedures, including implementing standard precautions based on transmission risks of particular diseases or infections. You'll gain training to respond to outbreak situations happening within your workplace - this ensures you're working COVID-safe!

With this qualification, you'll be able to provide first aid response to illnesses or accidents in a range of situations, greet clients and exchange routine information to provide triage services, work respectfully with people from diverse social backgrounds and demonstrate cultural sensitivity, communicate effectively with clients, colleagues and management using workplace technology.

### Why is this Stanley College Course good for me?

1. It's FREE\*
2. Gain new skills or develop existing skills in just 8 weeks
3. Be work-ready for in-demand Community Care jobs
4. First Aid, Working with Diverse People, Infection Prevention and Health and Safety are all included in this course
5. Get hands-on training using Stanley College's simulated training facility
