

Accounting Professional Year Program

PERTH

Why Choose This Course?

1. Ongoing career assistance during and after completion of the Program
2. Opportunities to join relevant professional bodies
3. Access to free industry specific workshops and events
4. Accounting Professional Year Program certificate

The Stanley College Accounting Professional Year Program is developed by CPA Australia, Chartered Accountants Australia and New Zealand and the Institute of Public Accountants. It is a professional development program combining formal learning and an Australian internship experience.

Our internship equips you with practical skills and training to enhance your future employment opportunities. Upon completion of the Accounting Professional Year Program, qualifying graduates may be eligible to receive additional points towards their permanent residency application under the Skilled Migration pathway, as specified by the Department of Home Affairs (DHA).

Note - The awarding of points is entirely at the discretion of DHA and successful completion of the APYP does not guarantee the awarding of Permanent Residency points.

Stanley College is an approved Accounting PYP provider by the following:
